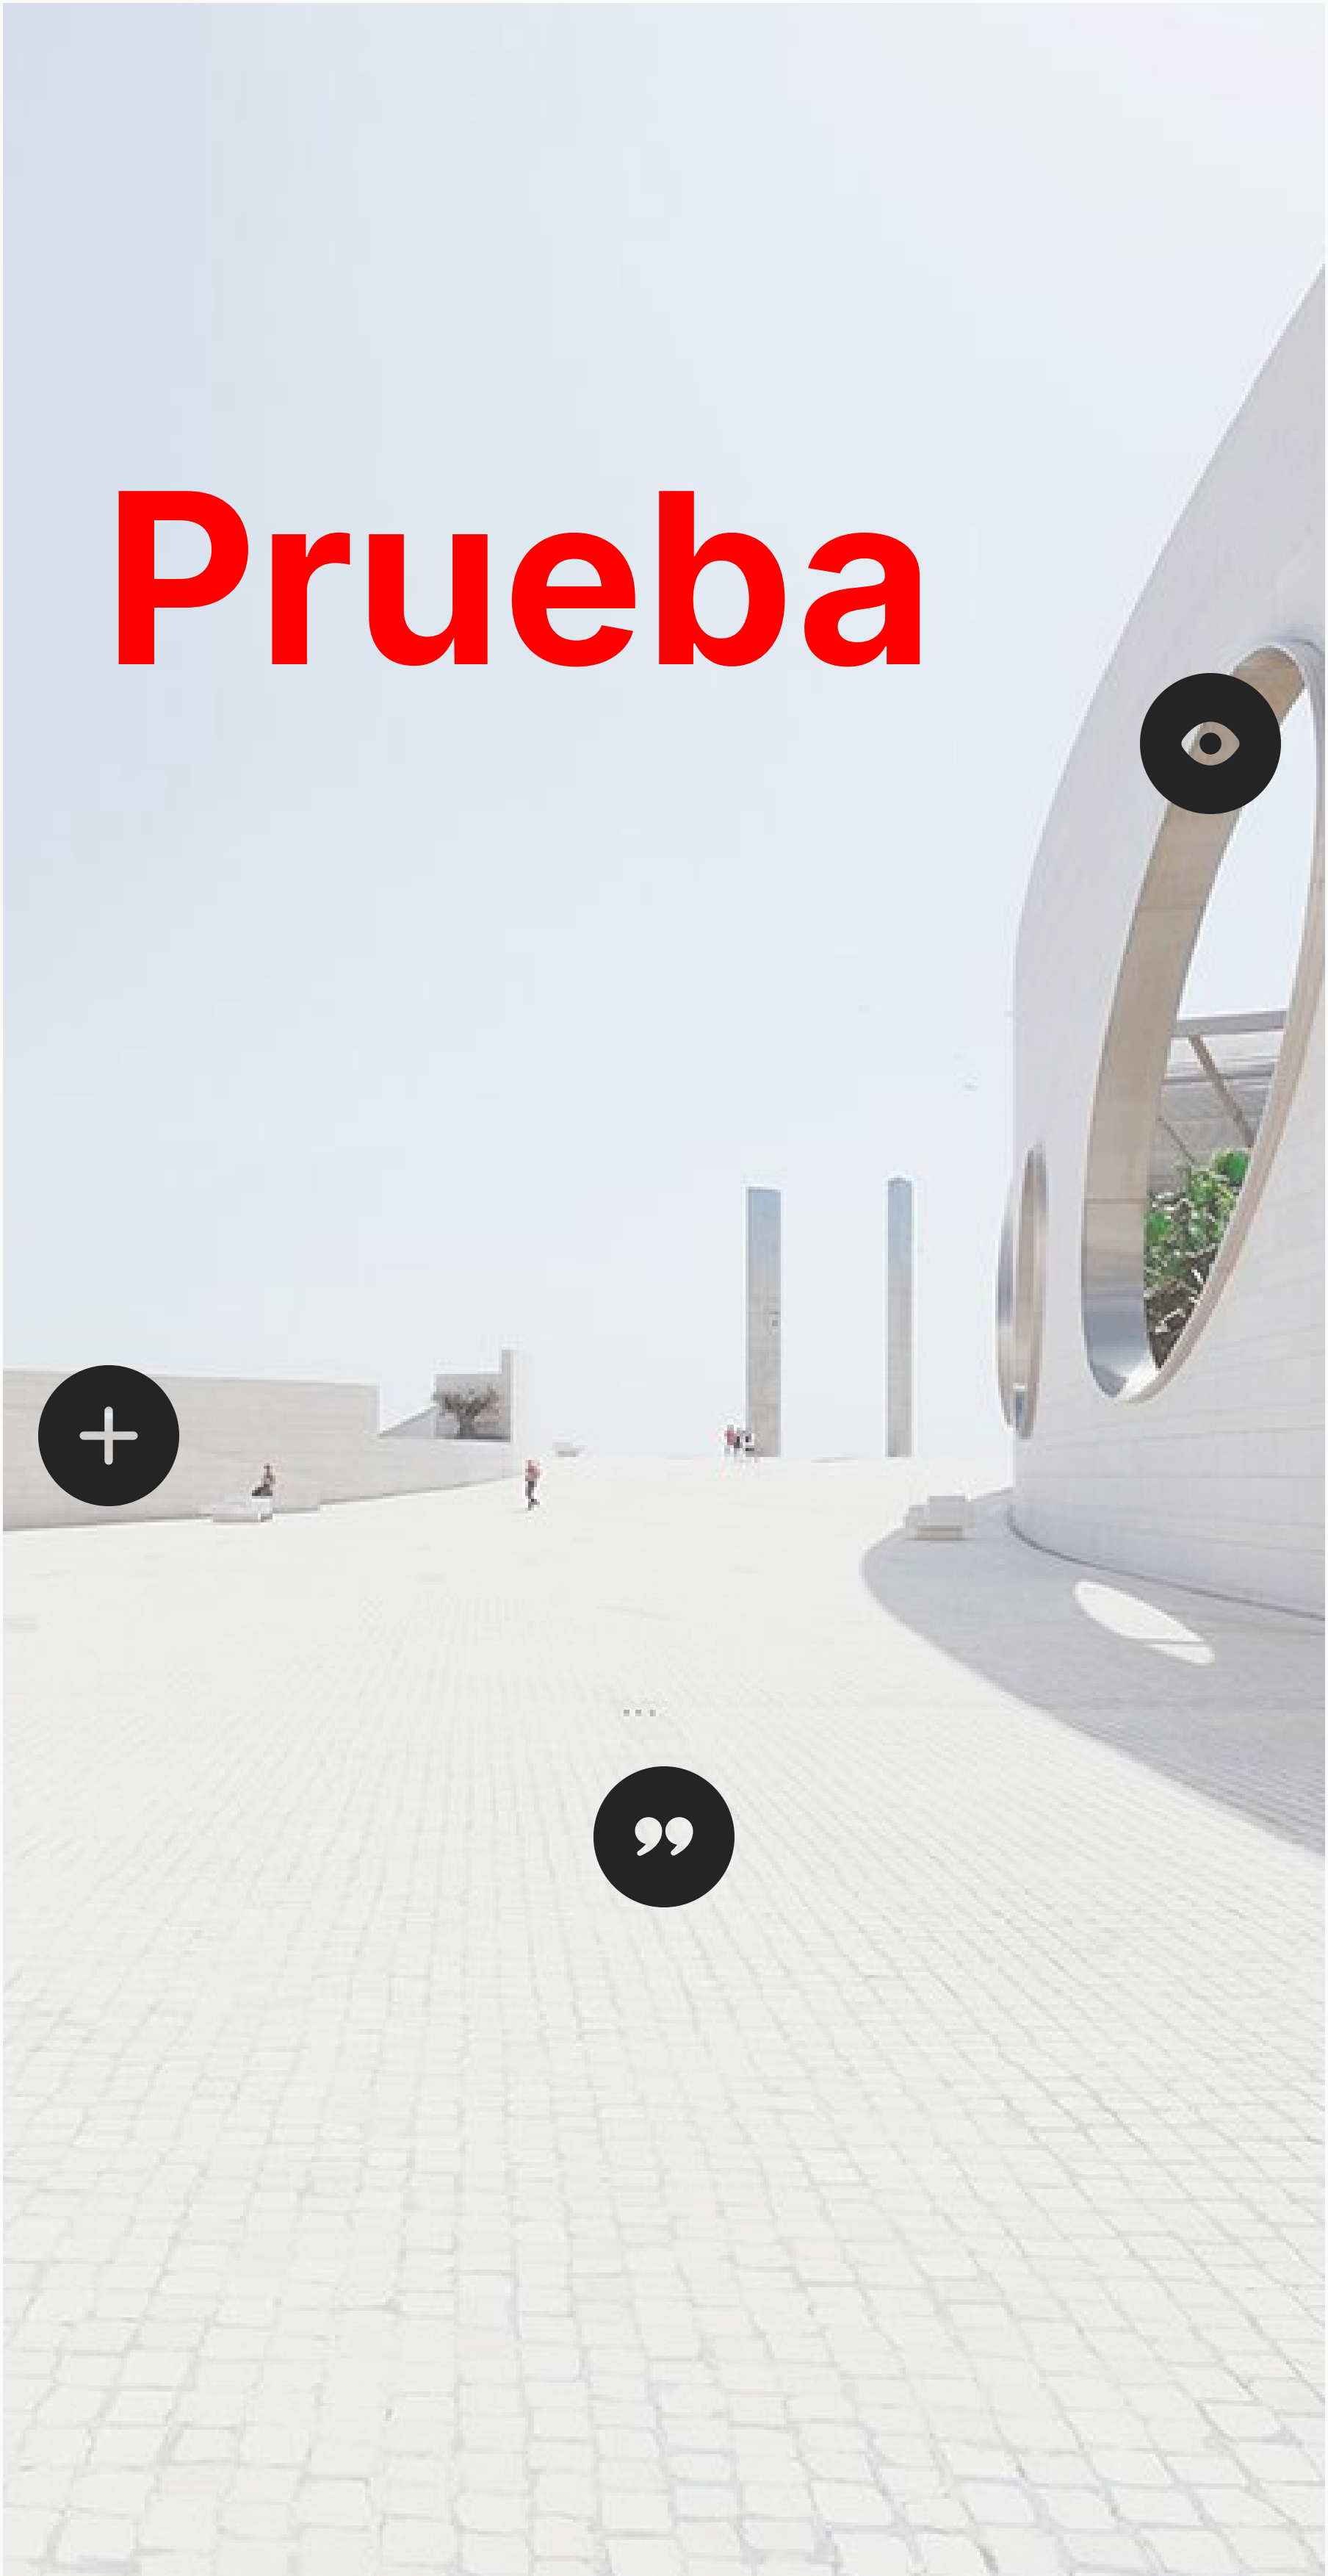
Use an image

And use this space to caption it. You can **upload** an image from your **computer** or use the **resources** available in Genially, on the left side of the **Editor**. Knock their socks off!

+ info

Tip: Interactivity is the key to capturing the interest and attention of your audience. A genially is interactive because your audience explores and engages with it.

Prueba



'Your content is good, but it'll engage much more if it's interactive.'
